

Each year, mushers go to schools to talk about the dogs, the sport and the historical use of sled dogs. We have an educational traveling trunk and a Race to the Sky booklet available to teachers to help promote teamwork and learn about Camp Rimini and dog mushing. There are hands-on educational activities and projects involving math, writing, history and art. We love working with students!

Your contribution is tax deductible and will be used solely to put on the race.

It takes a small army to put on the race each year. We always need sponsors, volunteers and, of course, the public to come and be part of the excitement!

Race to the Sky

A Montana Tradition since 1986

February 10-14, 2023

Becoming a Race Sponsor

The 2023 Race to the Sky is Montana's premier winter event. This is our 38th year bringing people from all over the country to Montana to watch the teams compete.

We offer a fun, family event while educating the public and preserving the role that dogs played at Camp Rimini War Dog Reception and Training Center.

The facility was one of two training centers for sled dogs during WWII and was later used for search and rescue operations. In total, there were 800 sled dogs, 150 pack dogs and about 126 soldiers stationed at Camp Rimini during WWII. They were heroes and we commemorate them every February.

Montana Sled Dog, Inc. is a 501(c)3 nonprofit corporation since 1989. It also organizes Race to the Sky each year. We are an Iditarod qualifier since the beginning in 1986 and one of only a few races who are qualifiers.

Lead Dog Sponsor **\$20,000**
2 chute banners with name & logo, social media posts, website ad with your logo, scrolling on website and full page race program ad

Point Dog Sponsor **\$5,000**
